

U.S. FACTORY DIRECT

# U.S. FACTORY DIRECT PROGRAM

The screenshot shows the product page for ConcentTrace MCC (25kg Carton) by Trace Minerals. The page features a navigation bar with 'About Us', 'Benefits', 'Resources', and 'Contact Us'. A search bar is present with the text 'Search entire store here...'. The product title is 'ConcentTrace MCC (25kg Carton) By Trace Minerals'. The price is listed as '\$91.67 / kg'. A note states: 'Note: Free shipping to Continental US from seller warehouse. Your order will be shipped within 3 business days.' Below the price, there are three bullet points: 'Buy 500 for \$69.54 / kg and save 25%', 'Buy 100 for \$80.66 / kg and save 13%', and 'Buy below 100 for \$91.67 / kg and save 0%'. The 'Select Warehouse' section shows 'Seller Warehouse' with '1000' units in stock and a 'Next Stocking Date' of 'Within 6 weeks'. The quantity is set to '25 kg' and there is an 'ADD TO CART' button. The Trace Minerals logo is visible at the bottom left of the product area.

From the initial launch of the ingredientsonline.com™ platform in late 2015 with less than 50 factories, we've substantially increased our online factory partnerships by over 300%. **DON'T BE LEFT OUT** – join the rapidly growing number of U.S. sellers listing their value added ingredients on the ingredientsonline.com™ e-commerce platform and gain access to over 5,000 buyers from North American supply-chain teams.

Today's buyers want the convenience of an e-commerce platform saving them hours and hours of time every day. They expect a full range of tools to help with efficiencies on a neutral selling platform. With ingredientsonline.com™ our buyers are looking for value added ingredients at factory-direct prices with complete transparency. Our buyers consistently visit the site with over 160,000+ page views per month and your ingredient listing will be online and available to the ingredientsonline.com™ buyers 24/7. You set the price and once the buyers place an order, fulfillment and shipping will be directly from your facility.

> **BENEFITS OF JOINING THE RAPIDLY GROWING COMMUNITY**

- Add to your sales team the 24/7-365 e-commerce platform where our community of buyers simply point and click to place their orders.
- We invoice, collect and guarantee payment back to the seller.
- Full e-commerce customer service and support including a dedicated product manager committed to the success of your ingredients on the platform

> **QA/QC**

Every interested factory/seller must undergo and pass a thorough inspection process to qualify (*for more details, please visit [www.ingredientsonline.com/qa-qc](http://www.ingredientsonline.com/qa-qc)*). Our audit checklist reviews everything from production procedures and testing verification to compliance certifications and site security. We review all documentation and procedures related to cGMPs, food safety and hazard analyses. Sellers must also complete the required QA/QC questionnaire, provide required facility audit reports and documentation as outlined in the U.S. Factory Direct agreement, or undergo a facility audit by an accredited auditing company.

> **FEES**

<b>Annual platform license fee</b>	<b>\$1,000</b>
<b>Service fee</b>	<b>5% of total monthly sales</b>
